Dear valued customers,

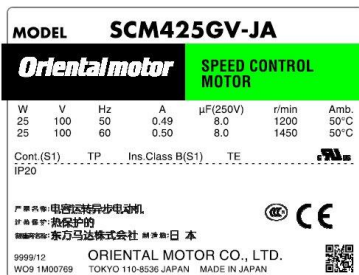

First of all, we would like to thank you very much for your continued support. At this time, Oriental Motor would like to make an announcement regarding the design change of our product labels. This change has become necessary due to the obsolescence of the current label printing machines. Because of the high number of products in our range, this change will be implemented gradually starting from June 2026.

Below are a few images comparing the old and new label design.
